

LAUNCH OF SBI PENSION WEBSITE

SBI has launch a website, where pensioners drawing pension from SBI can check their pension-related details instantly. One can view the pension payment details from the first pension onwards as well as other details. The link is <https://www.pensionseva.sbi/webpages/login/pensionerregistration.aspx>.

The services can be availed as per instructions below:

PENSIONSEVA.SBI

Instructions

New User Registration:

- (i) Create a User-id (to be created by the pensioner - min 5 characters)**
- (ii) Enter your Pension account number**
- (iii) Enter your Date of Birth**
- (iv) Enter the Branch code of pension paying branch**
- (v) Your registered email id same as submitted to the branch**
- (vi) Enter new password, then confirm password**
 - (a) Passwords should have a minimum length of 8 characters**
 - (b) Passwords should have a combination of uppercase and lowercase alphabets, numerals and special characters**
- (vii) Choose 2 profile questions and answers and save for future reference, as it will be required in case you forget your password**

On successful registration, a mail would be sent to the registered email where a link will be available for account activation.

After activation, pensioner can login through his registered ID/Password.

User account will be locked out automatically after three consecutive unsuccessful logon attempts.

Forgot Password:

If user forgets his/her password, then password can be changed by using the profile questions and answers chosen at the time of registration.

Reset Password:

If user forgets his/her password, and forgets the profile questions also then “Reset Password” can be used for generating the new password. Temporary password will be sent to the registered mail id for changing the password.
